SUPER VALIS IV

MIGHTY MAIDEN OF THE RED MOON

The red moon of the Spirit World rises...

Its people have been resurrected
and the bell tolls for battle...

DESPERATE TIMES CALL OUT FOR THE VALIS SWORD

PEOPLE OF THE SPIRIT WORLD PROVOKED ANGER IN THEIR GUARDIAN

Eons ago...There was a world called GIYA where people lived peacefully and faithfully under their guardian protection. King Aspher of the Spirit World was a follower of this guardian. But the King's son, Gallagher, had another plan.

He was scheming to conquer the whole world. Once Gallagher ascended to the throne and received the ring of Titan which possesses infinite power, he immediately started a war to take over the entire world. His action angered their guardian so greatly that he sealed the entire population of GIYA into a crystal pillar and buried it deep under the ocean.

DESPERATE TIMES CALL OUT FOR THE VALIS SWORD cont.

RESURRECTION OF THE DARK FORCES

One electrified evening the red moon broke through the clouds and calmed the motion of the sea. The gigantic crystal pillar suddenly rose toward the sky with a thunderous noise, parting the Pacific Ocean in two. King Gallagher and his Spirit World people were resurrected after thousands of years in silence. It did not take too long for them to take over the entire world.

Queen Valna's Dream World was conquered despite their courageous fight. Now the whole world is under the rule of Gallagher. The Valis warrior, Yuko Ahso, is gone. Who is left to fight these Dark Forces...?

THE REBELS WHO FIGHT FOR JUSTICE

All who rebelled against King Gallagher gathered under Cham, a daughter of the Spirit World, to defeat the king's forces. To discourage the rebel forces, King Gallagher ordered to execute Queen Valna. Cham and her companions learned of the execution, but the enemy was too great for them to fight.

Then, a voice was heard: "Let me go and fight for you!" The voice belonged to Lena, who was the strongest fighter among the rebels.

VOICE OF THEIR GODDESS REVERBERATES FROM ABOVE

Cham, the leader of the rebel forces, was wondering what to do. Although Lena was the greatest warrior, it was too risky to let Lena fight alone against the Dark Forces.

"Cham, let Lena go to fight!"

The voice reverberated from above. The voice was none other than Yuko, who had become their goddess. Now Lena headed for Castle Vanity, which once belonged to the people of the Dream World and now was a fort of the Dark Forces. A new Valis warrior is about to be born...

CHARACTER INTRODUCTION

LENA BRANDE

She is only 16 years old, yet she is the strongest warrior of the rebel forces. She possesses a courage to fight, but she is also a kind and gentle, peace loving maiden. Her unique quality of balance in both peace and courage has made her a Valis Warrior. Now, with the Valis Sword in her hand, Lena is about to fight for her people.

YUKO

Once Yuko had fought the Dark Forces with the Valis Sword. After her victory, she went to rest in the clouds. Although she sends Lena to conquer Gallagher, her heart is heavy with the decision she has made.

THE RUTHLESS FORCES OF DARK POWER

Revenge toward his ruler for being locked deep under the ocean for several thousand years has accelerated King Gallagher's ambition to rule the whole world. He burst into a furious vengeance. Now, Lena has to face the best generals of the Dark Forces. Turn to page 20 for strategy on how to beat each boss.
